

AN ILLUSTRATED CHECKLIST OF BIVALVES FROM PMBC BEACH
WITH A REEF-FLAT AT PHUKET, THAILAND

By CLAUS NIELSEN

Phuket Marine Biological Center. Presently Marine Biological Laboratory, DK-3000 Helsingør, Denmark.

ABSTRACT

Ninetyone species of bivalves from the sandy beach with shale patches and from the reef-flat in front of the Phuket Marine Biological Center, Phuket, Thailand, are pictured and listed with notes on habitats.
